

V-CART AVC3747-W

- The V-Cart is a utility cart designed for storing and moving materials with ease (Granite, Marble, Quartz, Engineered Stone, Quartzite, other Sheet materials)
- Its compact structure is designed with four heavy duty polyurethane swivel casters for maneuvering in narrow areas.
- It enables positioning of materials in any direction for any purpose.
- The poles can be repositioned in the base with different positions to meet your needs.
- Its durable construction adds stability when handling heavier materials.
- All areas on the cart where stone will come in contact with the V Cart is lined with rubber for scratch resistance and damage to the stone.
